What Else You Should Know

- A link to another account is a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking and Internet banking services to keep track of your balance.
- The \$32 Overdraft Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Item fee of \$32. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of a fee.

- There is a limit of 5 Overdraft Fees (\$160) per day we will charge. We will not charge an Overdraft Fee if your account is overdrawn by \$10 or less.
- We generally post items in the following order: 1) Credits, 2) POS and ATM transactions (in the order received), 3) ACH debits (low to high by dollar amount), 4) checks (check number order); however, exceptions may occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Return Item fees assessed.
- Although under payment system rules, Silver Lake Bank may be obligated to pay some unauthorized debit card transactions, Silver Lake Bank will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available funds that could result in restriction of your debit card.
- Silver Lake Bank authorizes and pays transactions using the available balance in your account. The available balance is comprised of the ledger balance (collected funds) less any debit card holds, and does not include any deposited funds on hold. Silver Lake Bank may place a hold on deposited funds in accordance with our Deposit Account Information Disclosure. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Overdraft Privilege limit, may be used to authorize and pay a transaction.
- Silver Lake Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described in this letter, Silver Lake Bank will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- We may restrict your debit card use if you incur overdrafts in excess of the available funds in your account, including any Overdraft Privilege limit.
- An Overdraft Privilege limit of \$100 is available for eligible Personal and Business Checking accounts at account opening.
- Overdraft Privilege limits of up to \$500/700 are available for eligible Personal Checking accounts opened at least 30 days in good standing and up to \$1000 for eligible Business Checking accounts opened at least 60 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account Information Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
